EXPEDITED APPEALS PROCESS

§ 416.1423 Expedited appeals process—general.

By using the expedited appeals process you may go directly to a Federal district court without first completing the administrative review process that is generally required before the court will hear your case.

§ 416.1424 When the expedited appeals process may be used.

You may use the expedited appeals process if all of the following requirements are met:

(a) We have made an initial and a reconsidered determination; an administrative law judge has made a hearing decision; or Appeals Council review has been requested, but a final decision has not been issued.

(b) You are a party to the reconsidered determination or the hearing decision.

(c) You have submitted a written request for the expedited appeals process.

(d) You have claimed, and we agree, that the only factor preventing a favorable determination or decision is a provision in the law that you believe is unconstitutional.

(e) If you are not the only party, all parties to the determination or decision agree to request the expedited appeals process.

§ 416.1425 How to request expedited appeals process.

(a) *Time of filing request.* You may request the expedited appeals process—

(1) Within 60 days after the date you receive notice of the reconsidered determination (or within the extended time period if we extend the time as

provided in paragraph (c) of this section);

(2) At any time after you have filed a timely request for a hearing but before you receive notice of the administrative law judge's decision;

(3) Within 60 days after the date you receive a notice of the administrative law judge's decision or dismissal (or within the extended time period if we extend the time as provided in paragraph (c) of this section); or

(4) At any time after you have filed a timely request for Appeals Council review, but before you receive notice of the Appeals Council's action.

(b) *Place of filing request.* You may file a written request for the expedited appeals process at one of our offices.

(c) *Extension of time to request expedited appeals process.* If you want to use the expedited appeals process but do not request it within the stated time period, you may ask for more time to submit your request. Your request for an extension of time must be in writing and it must give the reasons why the request for the expedited appeals process was not filed within the stated time period. If you show that you had good cause for missing the deadline, the time period will be extended. To determine whether good cause exists, we use the standards explained in § 416.1411.

§ 416.1426 Agreement in expedited appeals process.

If you meet all the requirements necessary for the use of the expedited appeals process, our authorized representative shall prepare an agreement. The agreement must be signed by you, by every other party to the determination or decision, and by our authorized representative. The agreement must provide that—

(a) The facts in your claim are not in dispute;

(b) The sole issue in dispute is whether a provision of the Act that applies to your case is unconstitutional;

(c) Except for your belief that a provision of the Act is unconstitutional, you agree with our interpretation of the law;

(d) If the provision of the Act that you believe is unconstitutional were not applied to your case, your claim would be allowed; and
